bring that cock here

I may look sweet and innocent and I am, but when it comes to cock, I'm all over them. I love cock. I like the look of it, the taste of it, the power of it and, in the end, the way it spurts out cum from the tip. That's cool to watch. If you got one then I may just sniff it down and and play with it for you.

honey, glaze my ham

Everyone loves my ass. At first I thought it was too big, but as I got older and found out how much guys likd it, I appreciated it even more. Turns out asses are as much of a turn on for guys as boobs. And my boobs are nice too. Both of them get me in trouble though, I have learned to dress down a little.

the mailman delivers

When you move to a new place, the people you get to know are the ones you'll see every day as you do your daily chores and errands. They may be the easiest ones to have a liaison with, so you have to be careful.

I was 35 years old and living in Martha's Vineyard at the time. I loved it there. The atmosphere was just what I needed then and I was out enjoying it every day. The homey atmosphere and the friendliness of the people made it an enjoyable place to live. I moved there about five years earlier with my husband at the time, and decided to engage myself with the local community. I got to know my butcher, Harry, down the block; the hairdresser, Carla, I saw every couple weeks; and the mailman, Calvin, whom I saw almost every day. I loved to sit on my porch sipping my morning brew and often he'd come up and put his one foot on the stair and we'd talk about everything. He liked to be called C.D. The D was for Davis. Even when I didn't have mail he'd walk by on his route and wave or if he had a few minutes, he'd stand at the fence and we'd chat across the yard. I just loved his New England accent and often teased him about it. In return he'd tease me about my Brooklyn accent and we'd laugh and laugh. C.D. could have been a poster guy for the post office. He was fit, from all the walking, friendly from all the talking, and delivered rain, sleet or snow. His uniform was always neatly pressed and creased. No wife, he said – did it all himself. For thirty years. He looked over fifty but I never asked him his age. He's about six foot tall, beautiful salt and pepper hair (mostly salt) and he sported a white goatee. I thought he was quite handsome. I actually looked forward to seeing him and the goodies that he had in his bag for me.

It was a bitter cold and snowy morning that Tuesday – a couple weeks before Christmas. I watched from the door window as C.D. approached the gate. I was expecting a package from Home Shopping Network. A gift for my sister's daughter. I saw a big box in his arms and he struggled to see around it. He made it to the porch and I opened the door at that moment so he could bring it inside. He put it on the foyer table and shook some snow off himself. I could see he was cold and his ears were really red. I told him I made

some hot chocolate for him and thought it best if he took a minute to warm up. He agreed and we sat at the kitchen table talking about the weather and the upcoming holiday. I hadn't noticed but my boobs were kinda exposed as my robe kept loosening with my arm movements. However, C.D. had noticed. He looked up and smiled, "Missy, those look very pretty." he said as he brought the cocoa cup up to his lips. I was embarrassed and quickly closed the robe. "Oh, that's nothing to be shy about." he added. I smiled back and released the grip on my robe. This may sound silly to say, but just then our eyes met and we each instantly knew.

I dropped the robe from my shoulders, stood up and took a couple steps over to him and pulled his head into my chest. Right there where he sat. As I got close I noticed the bulge in his pants. I felt his warm mouth and tongue caressing my nipple and his strong hands under my robe squeezing my butt cheeks as he pulled me into him. My heart almost exploded out my chest. Without thinking, my hands dropped into his lap and found his hardness through the pale blue uniform. I squeezed and tugged at it with one hand while the other unzipped his pants. "I hope this was what you wanted, Missy, now see what you can do with it." I dropped my robe to the floor. I was completely naked. I pulled him to stand up and undid his belt, dropping his pants and boxers down to his feet. I dropped to my knees and as his cock and balls fell out right in front of my face. I could tell he had a nice cock, and a nice set of balls. His cock was uncut and thick. I immediately grabbed it and give it a little tug. I looked up and saw him looking.

I opened my mouth and pulled his cock inside. I slid the whole thing in. I pulled it out and started to work his cock harder and harder. He dropped his shirt and stepped out of his shoes and trousers. His cock was now fully erect – about eight inches long, I would say, and a nice thickness to it. He grabbed my hair and said "I have always wanted you since you moved in here, and I can't wait to have you. Get my dick all hard and wet for me." I dove back onto his cock and started to work it again. He was thrusting his hips the whole time, getting faster and faster, often pulling out and hitting his dick on my face.

CAN BE YOUR CHEATING WET DREAM. CUM ON!
A BAKER'S DOZEN LUSTY LADIES WANT MORE SEX
ADULTS ONLY

Dear Editor,

What a great model on the cover of *Cheating Housewives*. If Brooke is not every man's fantasy, she sure is mine. I love her tall gazelle-like qualities, but mostly I like her natural breasts and the way they fall on her chest. The pictorial of her inside was also pretty hot, especially the location where she was fucking. I have dreams of tall blondes like her where I leave my brunette girlfriend to cheat with blondes just like Brooke. Sometimes they seem so real that I wake up with a woody and have to satisfy myself before I fall back asleep. Then the dream will repeat itself, but with a different blonde. I hope I end up with a nice blonde one day. Someone like Brooke would be ideal. Keep up the good stuff, and if she's ever interested in cheating with me, tell her I'm available – and not married.

– Mike G., St. Louis

After ten minutes of hard sucking, he pulled out and said, "Get on all fours on the sofa. I want to taste you." I walked out to the living room as he followed and bent myself over the sofa. He pushed my head down into exposing my ass even more, giving my ass a hard smack before diving into my pussy like a hungry dog. He was tonging it really deep and then I felt a finger slide in as he sucked on my clit. He added a second finger and began to work my hole hard, every now and then slapping my

cheek with his other hand. He pulled out his fingers and I felt the tip of his penis on my hole and felt him push. He slid in slowly at first inch by inch until he was balls deep in me. I let out a moan. He eased out and back in again a couple more times. After a couple minutes he rammed his cock really hard into me and I screamed. That seemed to make him go faster as he started fucking me hard and fast – just pounding it. This went on for a couple more minutes before he pulled out and started slapping his hard cock on my butt cheeks. He rammed it back in again and continued to fuck me, pulling out every couple minutes, slapping it on my butt and making me scream for it some more.

After what seemed like forever, he pulled out and sat in the arm chair. He said, "Come here and clean this cock." I got up and tried to walk over but my legs were like jelly. I got on my knees in front of him and took his cock in my hand and dived on it, sucking and licking like my life depended on it. He was moaning loud and pushing my head down onto his prick. He said. "How about climbing up here and going for a ride." I didn't need to be asked twice so I climbed up and straddled my legs either side of him facing away from him. I grabbed his cock underneath and guided it into my hole and lowered myself onto it. He let out a low moan as I started to ride and rock on his cock, then bouncing on it. I was riding it hard and fast as he reached around and started rubbing my clit. I started to tighten as I was going to cum and he felt this as he stopped he said, "You are not going to cum yet!" With that he pushed me off him and placed me on my back, he pulled my legs up high so they were on my shoulders and my ass was in the air with my back leaning on the sofa base. He dipped his cock right into my pussy and started to push and pull it in and out.

I was going to cum, and he said, "Open up. I want to see you taste our cum." No sooner had he said it then I started to cum moaning as he was fucking me deep. I came with a rush of flowing juices. I licked my lips and smiled as he pulled out and brought his cock down to let me suck it. I cleaned him up as he poked at my ass with his fingers, "I'm almost there. Lie on your back on the floor." I slid off the chair and into position and he came over pulled up my legs to his chest and slid his fat cock into my gaping hole. He started to fuck hard and fast and very deep. I kept moaning loud but that only seemed to encourage him. After about five minutes, he pulled out. "I'm gonna cum. Open wide." He came around to where my face was and started to stroke his hard cock, feeding me his balls to lick and suck. He started to moan loud, I turned my head to catch his cum. As I did, a big shot of cum sprang out and hit my open mouth, and with that he shoved his cock deep in my mouth as he moaned loud and yelled out. I sucked him deep, I could feel shot after shot hitting my throat, he was saying, "That's it, take it all. Swallow it."

After about a minute he started to soften a little as I sucked and cleaned him off swallowing and savoring every drop. He pulled out and leaned over and give me a peck on the forehead. "Thanks. Just what's needed on a day like today." he said. I lay there smiling and panting. He stood up and started to get dressed as I pulled on my robe. We exchanged some small chat as he said, "I better get on with the morning – got more letters to deliver." He smiled and said "I finish at three. I'll be back here at four. Be ready for more. Ok?" With that he headed out the door. I closed it behind him. I couldn't believe what had just happened. Now I had until four to clean up and get myself ready for his next delivery.

Cheating was never on my mind, but there was a guy that started working at my company that started coming on to me. You could be next.

rock me, then roll me

There's very little I won't do to please a man, because the bedroom is truly the only place where you can be yourself. Throughout life we're inhibited at every turn. Everyone wants something from you, so for me, the bedroom is the only place I can give and receive without feeling like I've been taken. So I say, bring on that cock and let me at it.

does cheating count if it's just with a toy?

CHEAT-O-METER

DID I PLAN TO CHEAT -- NO

DID I REGRET DOING IT -- NO

WOULD I CHEAT AGAIN -- NO

TIMES I HAVE CHEATED -- ONE

I would never cheat on my husband because I took a vow not to. But that doesn't mean I can't fool around with my vibrators and dildos. We had an understanding before marriage that I liked them and I'd continue using them if he couldn't keep me satisfied or fuck me when I wanted it. Well, it wasn't but a month before I pulled one out of the drawer and used it!

the doctor is in...

After high school,

I went to college and got my degree in nursing. It was a lot of work, but it paid off and I did well. I didn't have a lot of time for men then, and my sexual appetite reduced. I still love sex, but now I go for quality, not quantity. After college, I worked as a nurse in a hospital for a while before landing my present job at a medical clinic. This is where I met Lee.. He's a doctor, about 38, over 6 feet tall, dark hair, and very handsome. He's everything a woman could want, smart, funny, and a real hunk.

Anyway, we both work the late shift, from five to ten, when the clinic closes. Past nine o'clock, the place usually gets pretty dead. As a result, there aren't to many people working past eight. About a week ago, we were alone at closing time. The other doctor left early, and the senior nurse asked if I would help Lee. Of course I accepted. Who wouldn't want to be alone with a handsome doctor. Sure enough, after we had locked the doors and shut the place down, Lee started making passes and flirting. I responded enthusiastically. He wrapped his arms around me and kissed me so passionately, my knees almost went out.

Within minutes, we were naked on an examination table doing a 69, with me on top. His cock was just like the rest of him, tall, strong and handsome. I hungrily sucked on it as he licked my clit. In about five minutes, I felt myself about to come and started to squirm my ass around and moan. He knew it and really went to work on me. I came really hard, almost screaming while I still pumped on him. When I finished my climax, I moved off of him and continued to work on his cock. He laid back and moaned as my lips move up and down his hard shaft. It only took a couple more minutes before he told me he was about to shoot, and did just that. His come tasted so sweet, I had to swallow every drop. He came so much, I didn't think I could take it all, but I did.

He then pulled me up to him and rolled me onto my back. He then started to kiss me all over, paying extra attention to my nipples. Within a few minutes, I was excited again and he was hard. He slipped his dick into my wet crotch and started to slowly fuck me. His strokes were slow and smooth. With the passing moments, he moved faster and faster until he was pumping me like a wild animal. I wrapped my legs around his waist, and his manhood penetrated me even deeper. Again I was about to come. He too, was about to come. Our moans mixed together, echoing through the clinic as I felt his hot jism shoot inside me as I released my own climax. It was almost a week later before we could chance anything again. The other doctor told Lee he would have to lock up the next night. Getting the other nurse out early was easy enough, since she likes to leave early anyway. So we planned to have another encounter the next night. I wanted to be well rested for a long night tomorrow. The next day I got ready for work and put on my lingerie. It was a matching set of white lace bra, panties, garter belt and sheer white stockings. Lee was there, and it was hard to work so close with him and not erotically touch him. Finally, ten o'clock came around. When everybody had left,

and out and in and...

I slipped into the back room, and traded my sneakers for four inch white high heels. I looked like I was about to step into a porno movie about a horny hospital. But I didn't care, I was horny, and felt very sexy.

Well, I went back into the bowels of the clinic and met Lee there. He had shut off most of the lights, and locked the doors. When I walked in, his eyes almost popped out of his head. I stood in the doorway, giving him a very sexy pose, and asked him if he liked what he saw. He eyed me up and down for a moment, then told me yes. I told him that tonight was his night, and I was his to do what he wanted. He told me to come over and sit down on a stool. We use them in the examination rooms for the doctors or family to sit on. I did as he asked, crossing one leg over the other, showing the tops of my stocking from under the hem of the uniform.

Before I knew it, I was getting hot between my legs, just waiting for what he was going to do next. After several minutes, he led me over to a recovery bed. He then unzipped my uniform, and let it slide down my body. I wanted to throw my arms around him and screw him on the spot. But I stood at attention as he walked around me looking over my lingerie covered body. He then ordered me to kneel in the center of the bed. I did as he said. He then made me spread my knees apart, but crossed my legs at the ankles. I was slightly uncomfortable, but plenty open and available for whatever he wanted to do. I found myself getting more and more excited. I knew that sooner or later, he would have his pleasure on me and fuck my brains out. The anticipation of when it would happen just made me more excited. He was getting really turned now, for the lump in his pants was growing even bigger.

He then came over to me and slowly caressed my body all over. Then, with a flick of his fingers, he unhitched the hook on the front of my bra and slowly pulled it behind me. My nipples were standing at attention. He played with my tits for some time, holding, caressing, squeezing and pinching them. He took me over to an examination table, and made my lay on my back. He slowly reached up and pulled my soaked panties down my legs. Lee then pulled the metal leg stirrups we use for examining maternity patients out from the table. He placed my feet into them, my heels through the openings.

The end result was my body was naked except for garter belt, stockings, heels and my nurses hat. My body on the table, my legs were up in the air and spread apart, and my pussy was wide open. He put on a surgical gown and mask, and a pair of rubber gloves. At first, I thought he was going to operate on me or something. But then I realized, I was about to get the most erotic examination of my life. He started with my wet pussy. He inserted a finger and held it there, while slowly playing with my pubic hair. He played it straight, getting me really hot in the process.

After my 'temperature' was taken, he next proceeded to give me a breast exam, listen to my heart beat, then my pussy, which he said was calling for relief. Then finally he decided to probe me. First, he shoved one then two fingers up into my pussy, moving them around and fucking me with them. He then greased up a finger and shoved it up my ass. I felt so wild, especially when he then played with my clit at the same time. I came within a minute, screaming like I was dying. My muffled scream seemed to please him, and when I had finished, he pulled off the gloves.

But then I realized, I was about to get the most erotic examination of my life. Her started with my wet pussy.

Again he probed my clit with his fingers, to find the right spot he said. He then moved down between my legs, pulled his mask down and dove in to eat out my pussy. He started out fast, getting me going. His tongue flicked over my clit and plunged deep into me. He sucked on my clit, and lapped up my juices. Then, just when I was about to come again, he slowed down, knowing just how far to push me until I couldn't hold back. After a minute,

he sped up again, getting me back to a climax level and holding me there. Again and again he did this. I thought I was going to die. I moaned and groaned, and the sweat poured from my body. But he just kept doing it. At last, he took pity on me, attacked my swollen clit and brought me off. After having it deprived for so long, I exploded into the most intense orgasm I ever had in my life. I kept coming and coming, while Lee just kept lapping me up.

My moans and groans pleaded with him, and my squirming body called out to him.

When I was finally done, and I thought I could take no more, he stopped and let the head of the table down. I laid there for a few minutes, breathing very heavy. He let me rest before we moved on to the final act of his fantasy. Lee helped me from the table and led me back to the recovery bed. There, I laid flat on my back as he went to work. He turned off all the lights in the office. He then turned on the examination light that was hovering over me. It cast a single eerie beam of light onto my naked body. I couldn't see a thing outside the shaft of light, while the light didn't leave a single area of me uncovered.

I couldn't see him, but I knew he was standing there, watching me squirm. It was driving me nuts, for I knew that sooner or later, he would plunge his hard shaft deep into my wanting cunt. I wanted him like I never wanted anyone before. My moans and groans pleaded with him, and my squirming body called out to him. But he still didn't show himself. Just when I couldn't stand it anymore, he appeared in the light, stripped naked, with his hard manhood standing before him. I looked it was bigger that the other times, and it seemed to be pulsating with power. He said not a word, but climbed on the bed, positioned himself over me, and rammed his cock deep into my pussy. I gasped as he slammed it in, then moaned with each hard, fast, deep stroke he plunged into me. He worked like a machine, each stroke was just as hard and deep as the last, with a perfect sexual rhythm.

He pumped like crazy, slamming his hips against mine. I built to a climax, hoping he would explode at the same time. I came hard, moaning loudly, and my whole body tensing up with the thrill of my orgasm. Every part of me tingled, from my hands to my feet, especially my well stuffed cunt. It was even better than before. Lee didn't miss a beat. He just continued to ram into me, his hard shaft filling me with each stroke. He continued for a few more minute before I knew he was about to shoot. He made a soft moan, closed his eyes, and gave one final thrust into me, forcing himself in as deep as he could. His hot come shot into me, filling me up with his sweet jism. He pumped in gallons, and just kept coming and coming.

At last, his balls were drained and he slid out of me. He left the shaft of light on me for a few minutes while he recovered. He asked me if I enjoyed his fantasy as much as he did. I truly did, and told him so. To show how much, I pushed him down on the bed and started to suck him off. He was hard instantly, and within five minutes, he was shooting another load of jism down my throat. I was allowed to dress again. We talked for a few minutes, and I told him how exciting the night had been.

The next day, Lee and I met before work to talk about the prior night. We talked for about an hour. I told him how much I enjoyed the night before, and that I was curious to explore more about fantasy sex.

To me, there's no such thing as sex. I believe we are not monogamous creatures, male or female. The sexual urge is not naturally directed at just one person, but to anyone that you find attractive. Today, I'm finding a couple guys attractive and they're groovin' on me. Since it's a nice day and they're here, I'm gonna fuck them until we all cum and you get to watch.

I don't know remember how many times my girlfriends asked me to go clubbing and meet some new guys, but they knew I was married. I eventually broke down and went out with them. The first few times included some pretty innocent flirting, but then I met this guy who was pretty cool, quite handsome, and told me how big he was. Hearing that, I just had to find out for myself. He was huge!
